

APRIL 2024

# NEWSLETTER

## WHY?

Why did we decide to create a monthly newsletter? Well, for a few reasons. 1) To have a way to notify our customers of new products, like our pork snack sticks! 2) To share a monthly recipe, with ingredients that can be purchased at our store. 3) So you can learn more about us and what we do.

## RECIPE OF THE MONTH

Our April recipe of the month is Julie's "Make Ahead Bacon Mashed Potatoes." Find the recipe on our website: [wpmeatco.com](http://wpmeatco.com), in the recipes section. The bacon bits used in the recipe can be purchased in our store.

## MEAT THE TEAM

Every month, we are going to introduce you to a member of our team. Julie Ellison is from Norris City. She has worked at the processing plant for 20 years. She is the niece of the original owners that built the plant in the '70's and previously owned a processing plant in Norris City. Which was located next to Mimmos Restaurant.

## WHATS NEW?

The Norris City Chamber of Commerce is hosting a farmers market on Thursdays from 5:00-7:00, beginning May 2nd. We are going to attempt to be there every week. We will post to Facebook if we will be there. If you would like to place an order to pick up at the market, please call us before noon on Thursdays.

## FARM FRESH EGGS

Don't forget we have farm fresh eggs!

We will have a couple of BIG ANNOUNCEMENTS in a few weeks!

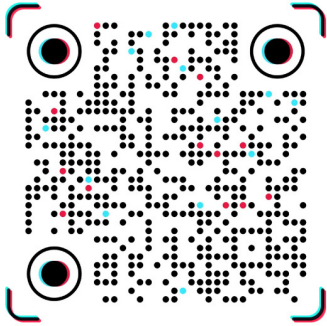

A couple of 'majorly' new products will be here in May!

## FOLLOW US

Did you know that we have a TikTok account? The best way to stay in-the-know about our sales, products, last minute appointment openings, and more, is to follow us on TikTok and Facebook..

If you would like to ensure you never miss a newsletter, please request to be added to our email list, by emailing us at [info@wpmeatco.com](mailto:info@wpmeatco.com).
